

**Greater New Orleans Camera Club**  
**New Orleans, LA**  
**MANIPULATED (Creative) CATEGORY RULES**

Digital creative competition is an open category and may be color or black & white images. You may manipulate the image any way you desire. The intent of this category is to have the image NOT look as a photo image, but as an "Altered Reality." More specifically, the image must obviously display a change in natural color, form, shape, or any combination of three. High Dynamic Range (HDR) images without further changes are not considered "altered reality." Judging will be on overall image quality, impact, and creativity just as would be in conventional photography contest.

1. Images need to be 1024 wide (pixels) and 768 height (pixels) max and in jpeg format.
2. The competitions chairperson and two other elected officers reserve the right to reject any image which is deemed not suitable or the subject matter is in poor taste which includes lewd, pornographic or grossly obscene persons, places or things. All exhibitions of the genitals of mature or young adults are not acceptable. Such decision will be final. The member, whose image is rejected, may be given an opportunity to substitute another image for the rejected one at the discretion of the competitions chairperson.
3. If persons are included in the image, the member entering the image is assumed to have permission to display the image in intra and inter-club competitions.
4. Any member selected as judge cannot enter images in the competition he/she is judging; however, he/she may enter double the number of images in the next image competition.
5. All images or parts of images and any artwork used in the submission must be your own.
6. By entering this contest, you are giving Greater New Orleans Camera Club permission to display your entry on its site on the World Wide Web. Our Club cannot accept any responsibility if someone should steal your image from our web site and make use of it in any way.

Please note: Images from the Greater New Orleans Camera Club competitions are submitted on a regular basis to the Gulf States Camera Club Council competition and special rules apply. Contact the GSCCC representative from our club for this information.
